INTERNATIONAL INTERFAITH CONVENTION FOR DIALOGUE
21 – 24 JUNE 2018 PRESOLANA – DOLOMITE MOUNTAINS

Path of Dialogue is a consortium of leaders and thinkers from many countries, coordinated by Raphael Luzon and Yahia Mahmud, united in the compelling and urgent mission of dialogue and reconciliation among the three Abrahamic, monotheistic faiths. We are actively soliciting support for our next event following our very successful conference at Rhodes, Greece last June, where politicians from Arab countries and Israel, together with religious leaders from many nations met to address the urgent call for interfaith dialogue and concord. (see attached brochure).

The 2018 conference is scheduled for June 21-24, to be held at the Grand Hotel Presolana in the Dolomites of northern Italy.

Considering the extensive media coverage last June, the sponsors who contribute to the 2018 conference will garner worldwide visibility in a show of support for peace initiatives through interfaith colloquy, fortifying the efforts of international leaders and guests by joining in the boldest declaration against strife and war, to turn the tide of history towards fellowship and development. We seek no less than global solutions to collectively reject violence, chauvinistic isolation, hostility and armed struggle.

Last year we hosted representatives from Libya, Egypt, Israel, Iraq; Kurdish and Yezidi speakers and guests, and representatives of the Palestinian Authority. These participants included government ministers, parliamentarians, ambassadors, scholars and religious leaders. The conference was covered extensively by Al-Jazeera TV, Greek Television News and Reuters.

This June, we are anticipating even more massive media coverage, galvanized by our distinguished speakers: Arch. David John Fitzgerald, Rabbi David Rosen, Sheikh Bin Bayyah and many more international personalities.

Your donation towards the fulfilment of this significant event will demonstrate that your organization stands with those who share a grave responsibility. We appeal to you to help us drive global attentions to the efforts of nations to assure religious liberty for all humankind; to rebuild trust, sustain justice and guide the trajectory of civilisation towards the common goal of diversity, tolerance, educational development, and the rule of law.

With the support of your sponsorship commitment, together we will continue to address the pervasive crisis of aggression in the name of religion, the indoctrination of violence and the instigation of extremism.

Path of Dialogue is a regularly registered charity organization.
